

Table of available spaces

FALL 2018 – ROUND 2

<http://sram.omnivox.ca> – DEADLINE : APRIL 23, 2018, 11:59 p.m.

If you have already applied to the Fall 2018 semester and you wish to take part in Round 2:

- Consult the Table of available spaces to be sure that spaces are still available in the program and the college of your choice. You may only choose one program in one cégep. It is useless to choose a program where no places are available.
- Take into account:
 - The reason for previous refusal
 - The prerequisites for the program you choose
 - Advice from your counsellors
- Go to <http://sram.omnivox.ca>
- Select "Consult my file" and after logging in, modify your choice using the option in the left hand menu.
- Select a new choice of program and/or college amongst the available places appearing in the Table of available spaces for Round 2. Your new choice must be saved in your online file **no later than April 23, 2018, 11:59 p.m.**

IMPORTANT NOTICE: You do not have to complete a new application or pay an additional \$30.

If your school has not concluded an agreement with SRAM for the electronic transfer of your school marks and if you have received additional school marks since Round 1, you may send these to SRAM.

If this is your first application for the Fall 2018 semester:

- First read the complete application instructions at www.sram.qc.ca/first-application
- Go to SRAM's Omnivox online application system (<http://sram.omnivox.ca>) and follow the directions outlined on the screen.
 - You will need to provide personal information.
 - You will then need to choose a cégep and program, and in some cases a particularity with regards to your program of choice. Consult the Table of Available Spaces for Round 2 to make a choice. It is useless to choose a program where no places are available since you will be automatically refused.
 - You will have to pay the application fees (\$30 non-refundable).

NOTICE: Only applications completed by the deadline of each round will be forwarded to the College for evaluation. For the Round 2, applications must be completed by **April 23, 2018, 11:59 p.m.**

You must provide all requested documents and verify that they have been received by SRAM. Check the status of your documents and of your application under the "Status of your application" option online. Please allow a minimum delay of 24 hours for documents to be Processed.

PRECISIONS FOR FALL 2018 ADMISSION

Important additional information or requirements apply to certain programs in certain cégeps. **The online table of available programs available at <http://sram.omnivox.ca> details out all of these precisions.**

- A** In some colleges, applicants to this program may be invited to tests and/or interviews and/or auditions that normally take place at this college. Fees are sometimes required.
- C** Administration and registration fees are required for the International Baccalaureate exams.
- D** Applicants must comply with the prerequisites of these two programs. Please consult the cégep's website to see if there are options to choose from.
- E** Applicants choosing a preparatory session will have to indicate the college program they wish to pursue. They will also have to verify which services are available by consulting their chosen cégep's website.
- F** Applicants to this program may be required to take a medical examination or get vaccinations.
- G** This program pertains to students who have obtained a specific SSVD. Please consult the cégep's website to verify the admission requirements.
- K** To inquire about the required driver's license, please consult the cégep's website.
- L** For this program offered at Collège Montmorency, the 3rd year of this program takes place at l'Institut de tourisme et d'hôtellerie du Québec, in Montréal.
- Q** The regulations of the activities of the profession targeted by this program state that applicants must be Canadian citizens at the end of their studies in order to be eligible to the École nationale de police du Québec.
- R** The regulations of the activities of the profession targeted by this program state that applicants must be Canadian citizens or Canadian permanent residents at the end of their studies in order to obtain the professional association's permit.
- S** For this program, the applicant must have completed one of the following prerequisites to be admissible to the path with mathematics: Secondary 5 Technical and Scientific Mathematics Option OR Secondary 5 Science Mathematics Option OR Mathematics 526.
- T** At Cégep de l'Abitibi-Témiscamingue, this program is offered in partnership with Collège Rosemont : the 3rd and 4th semesters are held at Collège Rosemont (in Montréal). Mandatory internships included in the 5th and 6th semesters could also take place in Montréal.
- U** For this program offered at Cégep de Saint-Hyacinthe, the students will need to commute between Saint-Hyacinthe and Montréal, according to a schedule defined at the beginning of each semester.
- Y** For this program offered in Collège de Maisonneuve, the students will have to take classes in Montréal and Cégep régional de Lanaudière à Joliette, according to a schedule set in the beginning of each semester. Transportation between the two colleges is organized by Collège de Maisonneuve.

MEANING OF THE CODES APPEARING IN THE TABLE

The number in each box indicates the number of available places in each program for each college.

P indicates that the college will only consider applicants who have already completed (or are in the process of completing) at least one semester (concentration or specialization courses) in this program.

T indicates that the college will only consider applicants who have already completed at least one semester (concentration or specialization courses) in this program at this college.

* Programs marked with an asterisk have particularities. Applicants selecting such programs should consult the online table of available programs on SRAM's website or the cégep's handbook or website to know which particularity to select.

MODIFICATIONS

TABLE OF AVAILABLE SPACES – FALL 2018: ROUND 2

The <http://sram.omnivox.ca> portal has been updated with these modifications.

Unlike what has been printed in the *Fall 2018: Round 2 – Table of available spaces*:

Collège Montmorency is offering 25 spaces are available in the program **430.B0 Food service and restaurant management**.

There is a mistake in page 8 : available spaces in the program **145.A0 Animal health technology** are shifted one square. The correct information is:

- 0 available space in **Lionel-Groulx**
- 0 available space in **Saint-Hyacinthe**
- Conditional admission (code T) in **Sherbrooke**
- 0 available space in **Vanier**

Cégep de Trois-Rivières has decided to suspend admissions for the Fall 2018 semester in these two programs:

- 221.C0 *Techniques de mécanique du bâtiment*
- 243.BA *Technologie de l'électronique : option Télécommunications*
