## FALL 2022 – ROUND 2

[admission.sram.qc.ca](http://admission.sram.qc.ca) – DEADLINE : APRIL 21, 2022, 11:59 p.m.

If you have already applied to the Fall 2022 semester and you wish to take part in Round 2:

- Consult the Table of available spaces to be sure that spaces are still available in the program and the college of your choice. You may only choose one program in one cégep.
- Take into account:
  - The reason for previous refusal
  - The prerequisites for the program you choose
  - Advice from your consellers
- Go to **admission.sram.qc.ca** to check the status of your application
- Once logged in, in the Status of *my application* section, click on the *Participate in the next round* button.
- Select a new choice of program and/or college amongst the available places appearing in the Table of available spaces for Round 2. Your new choice must be saved in your online file **no later than April 21, 2022, 11:59 p.m.**

**IMPORTANT NOTICE:** You do not have to complete a new application or pay an additional \$30.

If your school has not concluded an agreement with SRAM for the electronic transfer of your school marks and if you have received additional school marks since Round 1, you may send these to SRAM.

If this is your first application for the Fall 2022 semester:

- First read the complete application instructions at **[www.sram.qc.ca/first-application](http://www.sram.qc.ca/first-application)**
- Go to **admission.sram.qc.ca** and follow the directions to apply for admission as a Regular applicant.
  - You will need to provide personal information.
  - You will then need to choose a cégep and program, and in some cases a particularity with regards to your program of choice. Consult the Table of Available Spaces for Round 2 to make a choice.
  - You will have to pay the application fees (\$30 non-refundable).

**NOTICE:** Only applications completed by the deadline of each round will be forwarded to the College for evaluation. For the Round 2, applications must be completed by **April 21, 2022, 11:59 p.m.**

You must provide all requested documents and verify that they have been received by SRAM. Check the status of your application online. Please allow a minimum delay of 24 hours for documents to be Processed.

# PRECISIONS FOR FALL 2022 ADMISSION

Important additional information or requirements apply to certain programs in certain cégeps. **The online table of *available programs* available at [admission.sram.qc.ca](http://admission.sram.qc.ca) details out all of these precisions.**

- A** Applicants to this program may be invited to tests and/or interviews and/or auditions that normally take place at this college. Fees are sometimes required.
- AA** Admission requirements for this program include Secondary 5 Chemistry or Chemistry 534 but an exemption issued by the ministère de l'Enseignement supérieur allows colleges to admit applicants who do not meet this requirement. However, a few particular colleges will not admit applicants who do not meet the Chemistry prerequisite. Consult the college's website for information on admission requirements.
- C** Administration and registration fees are required for the International Baccalaureate exams.
- D** Applicants must comply with the prerequisites of these two programs. Please consult the cégep's website to see if there are options to choose from.
- E** Applicants choosing Springboard to a DCS have to verify which services are available in this preparatory session by consulting their chosen cégep's website.
- F** Applicants to this program may be required to take a medical examination or get vaccinations.
- G** This program pertains to students who have obtained a specific SSVD. Please consult the cégep's website to verify the admission requirements.
- I** Some cégeps require applicants to this program to consult their website regarding interview, audition, exam or test schedules.
- JA** For this program, some colleges have additional requirements or instructions for admission. Consult the college's web site for more information.
- K** To inquire about the required driver's license, please consult the cégep's website.
- L** In Collège Montmorency the 3rd year of this program takes place at l'Institut de tourisme et d'hôtellerie du Québec, in Montréal.
- LA** In Sorel-Tracy and Valleyfield cégeps the 4th and 5th semesters of this program will take place at l'Institut de tourisme et d'hôtellerie du Québec, in Montréal.
- LC** In Cégep de l'Abitibi-Témiscamingue - campus de Val d'Or this program is offered in partnership with Collège Rosemont: the 3rd and 4th semesters are held at Collège Rosemont (in Montréal). Mandatory internships included in the 5th and 6th semesters could also take place in Montréal.
- LD** In Cégep de Saint-Hyacinthe, during his studies, the student will need to commute between Saint-Hyacinthe and Montréal, according to a schedule defined at the beginning of each semester.
- LF** For Collège Maisonneuve the students will have to take classes in Montréal and Cégep régional de Lanaudière à Joliette, according to a schedule set in the beginning of each semester. Transportation between the two colleges is organized by the College.
- LG** At Cégep de Sherbrooke, this program is offered in collaboration with Cégep Beauce-Appalaches. The first three semesters will be held in Campus Lac-Mégantic.
- LH** At Centre collégial de Mont-Laurier, this program is offered in partnership with Cégep de l'Abitibi-Témiscamingue. Semesters 4 and 5 will be held in Cégep de l'Abitibi-Témiscamingue : campus de Val-d'Or.
- Q** The regulations of the activities of the profession targeted by this program state that applicants must be Canadian citizens at the end of their studies in order to be eligible to the École nationale de police du Québec.
- QA** The regulations of the activities of the profession targeted by this program state that applicants must be Canadian citizens or Canadian permanent residents at the end of their studies in order to obtain the professional association's permit.
- S** For this program, the applicant must have completed one of the following prerequisites to be admissible to the path with mathematics: Secondary 5 Technical and Scientific Mathematics option OR Secondary 5 Science Mathematics Option OR Mathematics 526.
- U** In some colleges, students are admitted to a core curriculum for this program, which they must complete before choosing a specialization.

## MEANING OF THE CODES APPEARING IN THE TABLE

- **Open** This program, in this college, is open without restrictions on places for this round.
- ▲ **Limited number of places** A limited number of places is available in this program, in this college, for this round.
